### **\*Special Lecture 1: "The HyoJeong CheonWon Holy Ground and Heavenly Works under True Parents' Direct Dominion" by Vice President Myong-kwan Lee**

At 10:00 a.m. on the second day of the Great Works, Vice President Myong-kwan Lee gave a special lecture entitled, "The HyoJeong CheonWon Holy Ground and Heavenly Works under True Parents' Direct Dominion." He reported in detail on True Mother's visit to the remodeled Hyojeong Cafe, CheonBo Won and the Water of Life Plaza, and shared about True Mother having her picture taken in front of the azaleas which were in full bloom, giving the members gathered there the opportunity to feel closer to True Mother. He then explained the meaning of the Great Works and the works of the spirit world that we can experience through the Hyojeong Offering Ceremony:

"What is the grace of the Great Works? These heavenly works are directly officiated for us by Heavenly Parent and True Parents. Also, Hyo-jin nim, Heung-jin nim, Daemo nim, absolute good spirits, and all the angels from the spirit world are mobilized here to work on us as well.

This evening the Hyojeong Offering Ceremony for the Inheritance of Heavenly Fortune will be held. You should keep in mind that there are two important kinds of grace that we receive through this event. Firstly, through this ceremony, we can remove the resentful spirits who have been in our bodies and secondly, we can completely wipe clean the record of the sins that our ancestors committed in the past while they were on the earth"
