The holy ground pilgrimage for the inheritance of heavenly fortune was a huge success. In sunny weather, many participants made a pilgrimage to Hyojeong Cheonwon Holy Ground surrounded by the reddish beautiful flowers and trees, including azaleas. Their hearts became healed feeling how True Parents looked after the nature with their love.

The pilgrimage course went from Cheonseung Dae (Tree of Blessing) Chinhwa Education Building B, Tree of Love, CheonBo Won, Hyojeong Café, and ended at the Cheonseung Wanglim Palace. The members offered sincere devotion during their pilgrimage to these holy grounds in order to inherit True Parents' teachings and vision, and took memorial photos at True Parents' photo zone.
