On June 1–2, the Heavenly Latin America Branch Training Center held a Hyojeong CheonBo Special Event at Cochabamba City in Bolivia. A total of 384 members attended this event.

On the first day, there was an opening remarks, and the other programs followed: Cheon Il Guk Anthem, Gyeongbae, Family Pledge, Representative Prayer, Message by President Seong-nam Kim, Heavenly Latin America Branch Training Center, and Prayer in Unison. On the second day, an Ancestor Liberation Ceremony was held, along with a Hyojeong Offering Ceremony and an Ancestor Blessing Ceremony. All the members participated solemnly in the Ancestor Blessing Ceremony wearing holy robes.

One of the Church leaders shared a testimony: "I have a lot of regret because there was a lack of internal and external preparation. When I was worried about how many members come for this event God showed me through a dream; "Don't worry, many ancestors will come. On the day of the event actually many members attended."

Another member I.C. from Bolivia shared his great joy to be able to liberate and bless his ancestors, thanks to the True Parents: "I had a problem, sickness in the legs, an itch that once started and did not stop until scratching blood came out, I felt a great pain. And today I was doing chanyang and my pain was relieved."

We would like to share other testimonies of the participants who experienced grace during the events.
