The Holy Ground Pilgrimage for the Inheritance of Heavenly Fortune event was held in the midst of an enthusiastic group of participants throughout the Great Works. These beloved members had a precious time experiencing and inheriting True Parents' shimjeong from the Hyojeong Cheonwon Holy Ground, where True Parents' devotion remains.

The pilgrimage course went from Cheonseung Dae (Tree of Blessing) Chinhwa Education Building B, Jeongshim Won, CheonBo Won, Hyojeong Café, and ended at the Cheonseong Wanglim Palace. The members offered sincere devotion during their pilgrimage to these holy grounds in order to inherit True Parents' teachings and vision, and took memorial photos at True Parents' photo zone.
