The historical Ancestor Liberation Ceremony for generations 1–430, the Ancestor Blessing Ceremony for generations 1–378, and Blessing Ceremony for Unmarried 1st Generation Spirits were held with great grace in the morning of the third day of the Great Works at the main hall and the small hall of the Cheonseong Wanglim Palace.

President Gi-seong Lee and his wife officiated the Ancestor Blessing Ceremony and Blessing Ceremony for Unmarried 1st Generation Spirits. President Gi-seong Lee explained the significance of the Ancestor Blessing Ceremony and Blessing Ceremony for Unmarried 1st Generation Spirits in his officiating speech, and expressed gratitude towards True Parents:

"How much efforts have we made to follow God's will? You must have a clear mind and awaken everyone and then offer True Mother the gift of victory as heavenly tribal messiahs. That is the way for us to dedicate the heavenly nation to Heaven. The blessed families who received the Spirit World Blessing today will support you with heavenly works. All blessed families in the spirit world will become your allies to fulfill the dreams of Heavenly Parent and True Parents by coming back to the earth and settling down on the earth to protect you every day. If you believe this, you will become spiritual persons who can resonate with the spirit world. This will help you cut off evil works. When this happens, every blessed family will experience amazing heavenly works at their homes, and at their churches."
