November 2019

During the Great Works, with 3rd generation members of True Family in heaven and earth attending, nine special chanyang sessions for removing evil spirits were held including the chanyang session held at the CheongShim Peace World Center during the 2019 Hyojeong Offering Ceremony. All the participants from all around the world received tremendous grace, experiencing the works of hundreds of billions of absolute good spirits. Filled with the energy of the Works of the Substantial Holy Spirit, the attendees filled the huge training center with one voice singing, "Grace of Holy Garden."
