"All the NGOs we have been working with, UPF, FFWPU, and WFWP, should now come under Heavenly Parent's great umbrella and make a 120 percent effort to testify about Heavenly Parent.

That is why I have asked you to educate people and tell them the truth and history of the providence.

Heaven has given you gifts and opportunities because Heavenly Parent loves all of you blessed families, and you have an important responsibility. Will you take responsibility? There should be not even one person living in this world who does not know Heavenly Parent and True Parents.

You should jump up and dance with joy. Think about how a day such as this could come to us! This nation, which was not powerful and has faced various difficulties has now become a beacon of light to the world. It is True Parents who have made this possible. Please get moving! Do not drag your feet any longer!" (True Mother's Speech at the Special Gathering to Celebrate the 60th Anniversary of True Parents' Holy Wedding, May 8, 2020)

FFWPU for a Heavenly Korea President Gi-seong Lee emphasized the meaning and mission of Heavenly Parent's Holy Community, emphasizing True Mother's speech from the Special Gathering to Celebrate the 60th Anniversary of True Parents' Holy Wedding. Looking back on the activities that demonstrated the miracles of Heavenly Parent throughout the seven-year triumphal journey following Foundation Day, he explained that following the firm establishment of Cheon Il Guk, True Parents proclaimed Heavenly Parent's Holy Community after offering sincere devotion and prayer, and that Heavenly Parent's Holy Community is the starting point of the era of attending Heavenly Parent when the purpose of Heavenly Parent's creation can be achieved.

Now, in the wake of the start of the era of Heavenly Parent's Holy Community, he stressed that it is our responsibility to put down roots in each country so that all groups can gather under the banner of Heavenly Parent to create a world where Heavenly Parent will be able to cherish, love and raise people in the position of True Parents.
