

The 1515th Hyojeong CheonBo Workshop held in Cheonseong Wanglim Palace

Gi Seong Lee
August 15, 2020

On 6.26 by the heavenly calendar in the 8th year of Cheon Il Guk (August 15, 2020), the 1515th Hyojeong CheonBo Workshop was held in the main hall of the Cheonseong Wanglim Palace. Being held on the 75th anniversary of Korea's Independence Day gave extra special meaning to the workshop. The 104 staff members from the training center represented all the blessed families and other members from Korea, Japan and around the world who had registered for the workshop.

A total of 13,777 people were registered for Ancestor Liberation, Collateral Liberation, and Ancestor Blessing. For the Japanese and international members who registered for this workshop, the video workshop will be held next week in their local areas with the edited video of this workshop.

With large screens installed on the stage and video filming conducted, the participants donned their holy

robes and sat in chairs that were spaced one meter apart from each other.

The entire schedule was led by the Korean Workshop Department Director Woon-seong Yang, starting from 1:30 p.m. The program progressed as follows: orientation, video screening of *Hyojeong Today*, opening ceremony, message by President Gi-seong Lee, chanyang for the Ancestor Liberation Ceremony, Jeongshim Won prayer, video screening of "The Grace of Ancestor Liberation and Blessing," and Ancestor Blessing Ceremony, followed by closing remarks at 5:30 p.m.

At the opening ceremony of the 1515th *Hyojeong CheonBo* Workshop President Gi-seong Lee delivered a message to the participants under the theme of "The Firm Establishment of the Heavenly Unified World Centering on True Parents."

"It is most pressing that we let all the people of the world know that the True Parents have come to this earth. Telling all humankind that they are here is our great responsibility for the sake of the future. Christians are still waiting for the Returning Lord, the Messiah. We already have gone beyond the Completed Testament Age and opened the era of Cheon Il Guk, but people do not know the providential

time in which they live. We must not remain passive. We must mobilize every means to let people know that the True Parents have come. We must let people know that the Messiah has arrived. True Parents came to this world to save all people. For the sake of the salvation of humankind, we must let the world know the legacy True Parents achieved during their lives. Such things do not come about just by talking or by making proclamations. Through taking action and putting things in motion, your efforts must bear fruits." (Chambumo Gyeong, p. 1545)

In his message President Lee shared, "The most urgent thing in this era is to let humankind know that their True Parents have already come," and expressed his regret at the many people, including Christians who are still waiting for the Second Coming of the Messiah, who still do not know that we have already entered such an important providential era. He stressed that by all means we must let people know that True Parents have already come to fulfill the mission of the Messiah, and tell the world how True Parents have completely offered their lives to bringing new life and salvation to humanity. He went on to say, "We have to live in such a way that we can demonstrate to all those people that the unification of South and North Korea and the realization of world peace can be fulfilled through our True Parents. We are in a very important position as blessed central families, and we must dedicate our lives to fulfilling our responsibility."

Ancestor Blessing Ceremony for Generations 1-430

After the chanyang for the Ancestor Liberation Ceremony and Jeongshim Won prayer, the Ancestor Blessing Ceremony for generations 1-430 including ancestors from the lineages of the father's side, mother's side, father's mother side and mother's mother side, was held following the same order of ceremony as always. Training Center Education and Promotion Department Director Jong-jin Kim led the service with the following main elements: invocation (Vice President Myong-kwan Lee), officiator's message (President Gi-seong Lee), Ancestor Blessing Ceremony rituals, and benediction prayer.

We would like to bring you testimonies from some of the training center staff who participated in the 1515th Hyojeong CheonBo Workshop.
