A total of around 34,000 people from 44 nations were registered for this event.

In particular, the CheonBo Festival Celebrating the 8th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind was held on the second day of the Great Works at the CheongShim Peace World Center and it was broadcasted live worldwide. True Family and participants were gathered at the Jeongshim Won prayer hall to offer their jeongseong. In attendance to True Mother at the CheongShim Peace World Center, this feast of grace given by our True Parents became a venue for all our family members around the world to listen to True Mother's precious message and share their shimjeong with others through the live broadcast.

This Great Works began in stormy conditions in the midst of the Corona pandemic, but it gradually cleared up as the day passed, and we could see the full moon shining brightly at night. The next day the sun was shining brightly and warmly enveloping the entire Hyojeong Cheonwon Holy Ground so that we could feel the blessing and love of heaven.

HJ Heaven and Earth CheonBo Training Center will do its best so as to provide refuge to all visiting members who are going through difficulties and we make more efforts for them to be spiritually reborn and move forward for their bright future. We sincerely pray that abundant blessings and heavenly fortune from our Heavenly Parent and True Parents of Heaven, Earth and Humankind will be bestowed to you and your family. Thank you once again.
