Appointment of Cheon Il Guk Leaders for the Realization of a Heavenly Unified World

Hello, I am the newly appointed chair of heavenly Korea's Cheoneuiwon. On October 11, True Mother restructured our organization with revolutionary determination for the completion of Vision 2027, the firm establishment of a heavenly Korea and a heavenly, unified world.

With absolute faith, absolute love and absolute obedience, I will do my utmost to attend the True Parents of Heaven, Earth and Humankind, to unite completely with the international headquarters, become a protective fence based on the realm of three generations and ensure the completion of national and continental restoration in all five regional groups of heavenly Korea. Moreover, I will work on building an unflappable Cheon Il Guk above a foundation that will last for eternity, by firmly establishing the Cheoneuiwon system in accordance with the Cheon Il Guk Constitution and by playing the role of a strong, protective fence for the True Family's three-generation realm.

I will fulfill my responsibilities in guiding and educating everyone -- from our elder members to our Cheon Il Guk leaders, blessed family members and the young children, our future generation, to live as flawless Cheon Il Guk citizens with purity, pure sexuality and pure lineage.

As the director of Cheon Shim Won, I will raise pure, chaste leaders and other members who can resonate with True Parents' hearts, and thereby raise the status of the True Parents of Heaven, Earth and Humankind, "the true, holy, and virtuous emperor of Cheon Il Guk, reigning over myriad peoples and triumphant on all levels."

I will always offer all my devotion to ensure that no spiritual chaos or confusion arises among our Cheon Il Guk citizens and that an eternal reign on earth centering only on our True Parents is built by serving and always remaining vigilant to the heart of the True Parents of Heaven, Earth and Humankind, who are absolute, unique, unchanging, and eternal.

Our beloved True Parents of Heaven, Earth and Humankind, I will devote my heart and soul in return for your enormous grace. Although I am unworthy, I offer my resolve to do my best with an attitude of offering my body to God with a loyal heart. Thank you.
