2. Holy Robes for the parents (parents attend the Blessing Ceremony wearing their Holy Robes).

C. Blessing Ring

One blessing ring for the ascended child (The parent's blessing ring can be used; however, it would be good to purchase a new ring in commemoration of the event).

D. Family Photo

A photograph of the ascended child etc. (It will be nice if you have photographs to show during the time both families are introducing themselves to each other). It is understandable that you might not be able to prepare photographs if the child ascended soon after birth and there are none.

*** If there are any questions then please contact the International office when you apply.**

5. How to apply for the Blessing

Please send the Blessing application form that was sent to you for the 'Blessing Ceremony for Unmarried Ascended Blessed Children' to the email below.

A. E-mail address: cpintl2013@gmail.com

B. Application deadline: **November 30, 2020**

C. If your child is matched, the training center will contact you individually, and you will then receive the Blessing Application Form. Parents are advised to fill in the form and send it back to the training center.

D. A few days after you send the Blessing Application Form, the Training Center staff will send a reply by email to confirm they received it.

E. The Blessing donation along with workshop fees should arrive by December 16. The workshop fee is **\$25 per person** [for each person attending the event, including the child receiving the Blessing.](#)

6. In the case that you applied for the matching but your child was not matched:

Blessed children that were unfortunately not matched this time are not eligible to attend the upcoming Blessing Ceremony. Please reapply for their matching at the next matching of Ascended Blessed Children in 2023.

7. Points to Consider

- A. Parents who have applied for the liberation of an ascended blessed child should apply for the matching and participate in the Blessing Ceremony. If the parents cannot participate due to unavoidable circumstances, a family member 18 years of age or older, or a leader in the church, may participate on their behalf.

- B. Also, in the case that the parents of the liberated and ascended blessed child have also ascended, and the parents therefore cannot apply for the matching, it is possible for a member who can be responsible for the ascended child to submit the application and bless the child on behalf of the parents.

- C. Other family members of the ascended blessed child (in addition to the parents) may attend the Blessing Ceremony with permission from the parents' local church pastor, as long as the applicable COVID-19 regulations are adhered to.

- D. If parents are unable to send the completed Blessing Registration Form back on time, we regret that their child will not be able to receive the Blessing on this occasion and will have to reapply for the matching again in 2023.
