The 2021 Hyojeong CheonBo Great Works Commemorating the 8th Year of Cheon Il Guk Foundation Day and 2021 True Parents' Birthday held on 1.15-16 by the heavenly calendar in the 9th year of Cheon Il Guk (Feb. 26-27, 2021) was a great success. Amid the aftermath of the Corona Pandemics, only a small number of people were able to participate in the training center directly, but for the first time, the online Great Works workshop was conducted via two-way video broadcast, allowing more family members to be indebted to the heavenly grace at their local churches and homes. A total of around 80,095 people from 97 nations who had registered for the Great Works logged in to the training center website to attend this event.

A total of five languages, Japanese, English, Spanish, French, and Chinese, were simultaneously translated for our family members around the world.

The main programs during the two days were as follows:

Opening Prayer

Opening Ceremony
 True Parents' Cheonshim Physical Exercise
 Chanyang/ CheonBo Ancestor Liberation Ceremony
 Cheonshim Won Special Report
 One Heart Prayer for the Realization of a Heavenly Unified World together with True Parents
 (Dedication of Hyojeong Offering Papers)
 Sharing of Testimonies by CheonBo Elder: Former FFWPU Japan President Oyamada
 Ancestor Blessing Ceremony
 Prayer of Gratitude

We offer our determination and pledge that the HJ Heaven and Earth CheonBo Training Center will be the place of honor where all unification family members can learn how to fulfill the heavenly tribal messiah mission and become CheonBo (heavenly treasure) families. We sincerely pray that abundant blessings and heavenly fortune from our Heavenly Parent and the True Parents of Heaven, Earth and Humankind will be bestowed on you and your families. Thank you once again.
