

The Special Grace to Liberate and Bless 430 Generations of Ancestors

Gi Seong Lee
April 23, 2021

August 24, 2021 (which is the Anniversary of True Father's Ascension) will be the last day to liberate and bless 430 generations of ancestors. After the grace period, members should follow the original standard of liberation and blessing.

Automatic liberation of 211~430 Generation will be applied if liberation is completed up to 210 Generation.

The condition for the Liberation for 1—210 Generation

Please offer the condition for the Ancestor Liberation.

1. 50 times bow for 21 days per application

OR

2. Breakfast fasting for 21 days per application

Applying for the Blessing Ceremony for Unmarried 1st Gen. in the Spirit World

Chung Pyung will hold the 3rd Great Works in August. You can apply for the Blessing Ceremony for Unmarried 1st Gen. in the Spirit World. (Unmarried means that the person who never married on the earth)

Those who applied for the collateral liberation for unmarried 1st gen in the spirit world by the workshop in April 2021 are able to apply for this Special Blessing Ceremony.

Please check the [CheonBo website](#), especially around June or July 2021 where you will find out more details.

Wish Papers

Even if you have completed until 430 Generation, it is a good idea to keep sending wish papers, doing the Self Liberation Reservation for your family members (highly recommended!), the Liberation for the Central Evil Spirits of your family members, and the Liberation for your relatives and friends, or the Liberation for your house and ground etc.
