The Jeongseong for the 10th anniversary of True Father's Holy Ascension by FFWPU Heavenly Korea Subregion 4 started with a 13-day online Divine Principle workshop for Pyeonghwa Aewons. On the substantial foundation of over 7,000 participants, 1000 selected couples were offered to Heaven as blessed families through the Peace Blessing Ceremonies held in all 42 churches. These people could connect thanks to activities from the seven different pillars of UPF.

For substantial settlement, a 2-night and 3-day workshop was held from July 1 to 3 at the Cheonghae Training Center, where we can feel true Parents' embrace. There were over 100 participants, and they went through the process of being reborn as true families. The

special 40-day period of activities started on this foundation of substantial jeongseong for the 10th anniversary of the Holy Ascension.

During this period, the 42 churches in Subregion 4 will visit inactive members to bring them back. Together with all who have connected with True Parents, we will meet our beloved Father on the 10th anniversary of the Holy Ascension.

We will make this a 40-day time to think again about the True Parents of Heaven, Earth, and Humankind, taking part in the golden age of providence with True Mother, the Only Begotten Daughter, and giving her hope for the establishment of Cheon Il Guk.

True Parents of Heaven, Earth, and Humankind! Thank you. We love you!

Remarks by Lee Sang-jae, co-president of Heavenly Korea

In commemoration of the 10th anniversary of True Father's Holy Ascension, all the churches in the Heavenly Nation of Jeolla started the 40-day jeongseong under the theme "Let's Meet Father" and held a

launch worship service to resolve to fulfill their responsibility. True Parents gave us the precious words, "Always take good care of others." and "Before you desire to have dominion over the universe, you must first gain dominion over yourself." When we follow True Parents' words and become examples to the world, our neighbors, tribes, community, and nation will support, trust and follow us. Through this, the mind and body can become one, husband and wife can become one, and we wish to establish a 'church where families are happy and Heavenly Nation of Jeolla where families are happy.' Through this special 40-day period of activities commemorating the 10th anniversary of True Father's Holy Ascension, I hope we will be victorious in love as we reflect on the first motivation, the first heart, and the first love, which guided us on the path of God's will. I pray that all leaders and members will become one and sincerely devote themselves to the special "visiting activities" and awaken members who have been distant from the church and inactive second generations so they can return to True Parents. Let us go to the Cheonwon complex together, holding hands, saying 'Let's meet our Father,' let's meet True Father at the Bonhyangwon, and become filial sons and daughters who can comfort True mother who has gone through many hardships.
