5. Spirit World, Physical World Matching Workshop

A. Age Standard: 60 years and above.

If you are unable to participate due to illness or old age, direct descendants, spiritual parents or children, or a church or spiritual leader may participate with a photo of the one participating on earth. However, one representative can only represent one person.

Exceptions

- ※ If you have a serious ailment and are in a difficult position to even stand up, then for special circumstances where it is difficult to receive the blessing on earth, you may ask for permission from the Blessed Family Department to apply for the Spirit World and Physical World blessing at the age of 48 and above.
- ※ If you or one of your family members have a serious disability (physically/mentally) and you or they sincerely wish to receive the blessing, then you may ask for permission from the Blessed Family Department to apply for the Spirit World and Physical World blessing under the age of 48 as well.

B. Eligible Participants

- 1) If you have received the single Blessing and have received the Blessing Prayer from a church pastor (If you wish to be blessed with your deceased spouse, or if you are in the complicated situation of having been single all your life or are divorced and unable to receive the Blessing with a physical person, you can receive the 'single person Blessing'). A representative participant cannot represent more than one person per workshop.
- 2) If your Blessing was officially broken and are in the complicated situation of being unable to receive the Blessing with a physical person (This only applies if you do not have any blessed children or children that received or would receive the Blessing.)
- 3) If the couple received the Blessing on earth but the spouse passed away during the separation period before they could do the 3-day ceremony (In this situation 140 days after the matching workshop, they may participate in the Workshop to Begin Married Life. In this case they will not be considered a Spirit World Physical World blessed couple but an ordinary blessed couple)

C. Level of Faith

The person must be willing to participate in the 3-day ceremony with the spiritual spouse after receiving the Spirit World and Physical World Blessing. Also, they must have a basic understanding of our church life of faith (Sunday service, life style, prayer life, etc.) The level of faith must be determined and approved by the responsible pastor of your church.

D. Liberation Donation

- 1) You must liberate the spirit of your intended spouse
 - If you have already liberated your spouse in a past workshop, then you do not need to apply for their

liberation again.

- Even if you offered a pre-cremation report, you still need to register for your spouse's liberation.

- 2) If your descendant already liberated his/her Father's line for generations 1-7 with the full donation and your spouse was included in the first 7 generations at the time, then you do not need to apply for that liberation again. If your spouse passed away after your descendent completed liberating their first seven generations, then they need to have applied for "persons who passed away after registering for liberation" for the spirit of your spouse. However, if the descendent did not complete the liberation of generations 1-7 and has unpaid fees, you will need to liberate your spouse separately with the full liberation donation of a collateral. (In this case the donation will not be counted in the descendant's unpaid fees for their 1-7 generations.)
- 3) Even if you are not getting blessed to a spouse that you were married to before, you will need to liberate the spirit of the spouse with the full collateral donation.
- 4) If you had more than one spouse that passed away, it is best if you can liberate all of them.

E. Preparation:

If a representative is participating in your stead, please prepare a photo of the person on earth (The size should be large enough to see the face of the person) You do not need a picture of the deceased spouse.

6. All donations sent either via bank wire transfer or by check should arrive by December 6, as this is the deadline for registration.

7. Members can receive a 'Certificate of Completion of 430 Generations in 8 Lines' by applying through the HJ Heaven and Earth CheonBo Training Center website using the account under which they have registered.
