The ancestor blessing ceremony was held on the second day of the 2-day Workshop. Through this blessing ceremony our ancestors who've been in agony and pain over the many years will be liberated through the holy wine ceremony by clearing their original sins. It is a time where they completely sever their lineage from Satan and be engrafted to God's lineage.

We who are the descendants of these ancestors offered a foundation of sincere devotion to liberate and

bless them. Through this process we become their spiritual parents and help support the works of spiritual salvation and thus leading the frontline of creating one family under God in another dimension.

The ancestor blessing ceremony was held at the Main Hall of Cheonseong Wanglim Palace (Heavenly Palace) with Rev. Dong-bae Kim, Korean Lecturer as the Main Emcee. After the opening address there was the entrance of attendants, entrance of main officiators, lighting of the holy candle, entrance of ancestors to receive the blessing, offering of flowers, congratulatory cake cutting, 3 cheers of eog-mansei by the officiator, closing ceremony and ended with taking the congratulatory photograph.

Rev. Kyeong Seuk Lu, FFWPU-Korea, President, said through his officiator's address about the difficulty and devotion offered by the members, True Parents and Heung Jin Nim and Dae Mo Nim.

Not only the unification family but the 7 billion people around the world will not be able to be reborn or resurrect without the blessing. Therefore, this is a place of the fruition of the history of the providence of restoration." And explained the meaning of the ancestor blessing ceremony.

"The works of the blessing cannot happen without the substantial body. Therefore, your ancestors who are able to receive this blessing through the descendants on earth is such an amazing miracle. You cannot forget that it was True Parents of Heaven, Earth and Humankind who opened these gates for you."
