Our prayers are being fulfilled!

During the mornings of the first and second days of the “2015 Purification Azalea Festival for the Inheritance of Heavenly Fortune” (Special Great Works), the Fulfillment of Wishes Papers Prayer was held at the Jeongshim Won (Prayer Hall). This was an opportune time since the Fulfillment of Wishes Papers Prayer is held only during the Special Great Works period.

The Fulfillment of Wishes Papers Prayer is a special grace extended to members by True Parents, and it is said that writing Wish Papers will open a path connecting us with Heavenly Parent. This, in turn, will help to untie many spiritually tangled knots, which will result in the more effective removal of evil spirits. There were prayers on two occasions: the first session was conducted by Mr. Toshiaki Yokoi, a leader from the Japanese Team, and the second session was co-conducted by Dr. In-cheon Kim, General Director of the Training Department and Mr. Takemori Fukatsu, a lecturer from the Japanese Team.

30 minutes before the starting time the Jeongshim Won Prayer Hall was filled to capacity with members.
