2. Ancestor Liberation Ceremony (Generations 1-210)

1) To liberate any Second or Third Generation who has passed away, whether blessed or unblessed, please prepare the liberation donation in accordance with the collateral liberation standard.

2) **All members from around the world can liberate all possible groups of ancestors until 210 generations at any of the 2-day workshops. However, the 25,000 won registration fee is required for each 7-generation group of Father's side/Mother's side ancestors and GMF/GMM. (This is the condition for 2-day workshop participation.)**

3) If your grandmother, grandfather, or parent, who is included in generations 1~7 passes away after the ancestor liberation for generations 1-7, they are considered as a **"Person who passes away after liberation."** You must register after writing the name and the relationship with you, and offer a donation of gratitude if you are a direct descendant; otherwise, you must liberate them as collateral, with a full donation.

(It is also possible to liberate just by sending the application form and the donation to Chung Pyung [Link](#))

4) The donation for the collateral liberation varies with the nationality of the spirit to be liberated. **Please refer to the attachment file for the group standard.**

5) When you apply for the collateral liberation, please fill in the marital status of the spirit (married/unmarried).

6) There is no need to register the collaterals for an Ancestor Blessing Ceremony if they were married. They will receive the blessing automatically when you bless your ancestors at the Ancestor Blessing Ceremony. But, **for those spirits who were liberated through a collateral liberation, as unmarried 1st generation, you need to apply for their blessing when there is a "Blessing Ceremony for the Spirits of Unmarried 1st Generation Members."** (The schedule will be announced separately).

7) **When you attend an ancestor liberation ceremony as a representative for someone else, a registration fee for yourself, and for the person whom you are representing, is required.**

8) You can participate in the ancestor blessing ceremony after a 100-day period of time (100 days from the day of the liberation or 100 days from the day of completing the donation) has passed, after having attended the ancestor liberation ceremony.

3. Ancestor Blessing Ceremony (Generations 1 -210) Schedule Information

1. Schedule	8/29 (Sat) - 30 (Sun) During the 2015 Summer Special Great Works
2. Eligible Participants	1) Members for whom 100 days have passed since generations 1-7 on the F, M, GMF and GMM were liberated and the full liberation donations were offered. 2) Members for whom 100 days have passed since generations 8-210 on the F, M, GMF and GMM were liberated and the full liberation donations were offered.
3. Materials to Prepare	Holy robes (including white socks, white gloves, etc.), blessing ring (you may use your personal ring), ancestor blessing donation
4. Points to Consider	1) As much as possible, the individual who liberated a particular 7 generation set of ancestors should also participate in the Ancestor Blessing Ceremony to bless those generations

1) **Ancestor Blessing Ceremonies for generations 1-210 began from October, 2011 and will be held once a month.** Those ancestors, who have passed 100 days from the

day when they were liberated, and for which the liberation donation has been fully offered, can receive the ancestor blessing. There is an ancestor blessing ceremony on the third weekend of every month, and when their descendants attend an Ancestor Blessing Ceremony, they can receive the ancestor blessing (Schedule is subject to change).

2) Ancestors who became Absolute Good Spirits will be sent to their home automatically by Heung Jin Nim and Dae Mo Nim 40 days after the ancestor blessing ceremony. It is appropriate to conduct a simple welcome home service.

3) When you attend the ancestor blessing ceremony, please prepare holy robes and blessing ring.

4) The donation amount of the Ancestor Blessing for generation 1-7 is set according to national group (as of August 2003). This is offered once for the F and includes all four lineages (F, M, GMF, and GMM). However, if the four lineages are blessed at separate times, a blessing donation of gratitude (same amount offered for generations 8 and above) is made each time you register. It is possible to offer the blessing donation in installments, and to begin blessing generations 8 and above before full payment is completed.

5) The Blessing donation of gratitude for generations 8 and above is offered per group of 7 generations. It includes all four lineages (F, M, GMF, GMM) if you are blessing them all at once, and is offered again each time you register to bless lineages in a particular generational group.

Special Grace concerning Ancestor Liberation and Ancestor Blessing

Dae Mo Nim
July 16, 2011

We thank you sincerely for supporting the Chung Pyung workshops and we pray that God and True Parents' love will always be with you.

After holding the "52nd True Parents' Day" on Cheon-gi 2nd Year, Heavenly Calendar March 1 (Solar Calendar April 3), True Parents said, "**All Blessed Families from around the world must make their ancestors who are in the spirit world into Absolute Good Spirits before January 13, 2013, the "Foundation Day" of Cheon Il Guk. Therefore, you must finish the Ancestor Liberation and Blessing until the 210th generation by December 31, 2012,**" and an official memo about this has already been sent.

Following True Parents' instruction, Heung Jin Nim and Dae Mo Nim are offering sincere devotion and holding workshops, so that all Blessed Families from around the world can live in the midst of Heavenly Fortune and the support from their Absolute Good Ancestors by completing the Ancestor Liberation and Blessing until the 210th generation.

Yet there are many members from around the world that cannot come to Chung Pyung for many reasons. Hearing this, Heung Jin Nim and Dae Mo Nim have again bestowed the grace of applying for Ancestor Liberation and Ancestor Blessing from their countries, without having to be present in Chung Pyung.

Please note that this official memo is intended for members living outside Korea and Japan.

1. Eligible Countries: All countries other than Korea and Japan.

2. Conditions:

1) Liberation

a) **21 day condition** (50 bows or breakfast fasting).

* You can apply even if you are in the middle of your conditions.

b) **Full payment of liberation donation** (donation differs by country)

c) **Registration fee (\$25 for every 7 generations of Father's side and Mother's side and \$25 for every 7 generations of GMF and GMM)**

* This is like a condition that you took part in Chung Pyung Workshop.

d) Members with liberation back payments must complete back payments before doing new liberations. You can apply for blessing of completed generations even if you have liberation back payments on other generations, but if you have liberation back payments and you apply for new liberation, the donation will automatically be applied to back payments, and the new generations will not be liberated. Ancestor Liberation and Blessing must be done in order, starting from 1~7 generations.

2) Blessing

a) The ancestors can only be blessed if they have **completed the 100 day workshop** in spirit world. (100 days after the liberation was done and liberation donation was completed)

b) **Full payment blessing donation**, except for the blessing fund for Father's side 1-7 generations, which can be offered from 10%. (donation differs by country)

c) **Registration fee**

If you are applying for blessing only, the registration fee is \$25 regardless of the number of generations you will bless. If you are applying for liberation and blessing, you do not need to pay separate blessing registration fee, unless you want the liberation and blessing done at different workshops. In this case, you need \$25 registration fee for blessing.

*This is like a condition that you took part in Chung Pyung Workshop.

3. How to register:

Before you apply, make sure the generations you want to apply for and the calculations you made are correct. If you don't know your past records, please ask Chung Pyung by e-mail. To check if your calculations are correct, please use the following link.

<http://222.101.9.24:8011/ancestor/laninput.aspx>

The above link will automatically calculate the donations and registration fee for you.

If you will send a check or international money order, please add **per check a processing fee of \$8 for checks under \$1000 and \$10 for checks \$1000 and over**. Please make the check payable to **HSA-UWC-CSC**. Our bank will not accept checks \$10,000 and more, so if the amount you want to send is over \$10,000, please write 2 checks with different dates on them.

1) Download the registration form(s) from the top of this page. If you cannot download, please ask Chung Pyung to send them to you by e-mail.

2) Fill out the form(s) and send it to Chung Pyung. There are 3 ways to do this.

a) Ask a member coming to Chung Pyung

Put the **forms and the donation together** and ask the member coming to Chung Pyung to turn it in at the registration window. The donation can be check or cash. In this case you **do not need to send us an e-mail** saying you will be sending forms, but please write your e-mail on the registration form so we can send confirmation that we received it. Please do not staple or tape the forms and donation.

b) Air mail

Put the **forms and the donation together in an envelope**, and mail it to Chung Pyung. It usually takes 10-14 days for regular mail to arrive, and 1 week if it is EMS. During holidays and when there is bad weather, it takes longer. You do not need to send us an e-mail unless 2 weeks have passed after posting the mail and you have not received any confirmation from us. Please do not staple or tape the forms and donation.

-Mailing address: **267-33, Misari-ro, Seorak-myeon, Gapyeong-gun, Gyeonggi-do, South of Korea, Postal Code: 477-855**
