At 2:00 pm on 7.9 of the heavenly calendar in the 5th year of the Cheon Il Guk, (July 20, 2017 of the solar calendar), True Parents visited Chung Pyung Heaven and Earth Training Center and looked around the construction site of the HyoJeong Café. True Parents entered the construction site of the HyoJeong Café and listened to the explanation from the chairperson of the HyoJeong Global Unification Foundation, Seok-byeong Kim, looking at the blueprint. True Parents encouraged everyone in the field at the construction site of HyoJeong Café to keep going as they were.

After that, True Parents listened to the progress report from the Vice President Myong-kwan Lee and showed us a big smile on her face. International President Sun Jin Moon, WFWPI President Yeon Ah Moon and President Gi-seong Lee attended with True Parents.

In accordance with True Mother's words, the HyoJeong Café is located in front of the Original Sanctuary, the starting point of Chung Pyung Holy Ground. This is the pilgrimage course of the Holy Ground, where all of humanity can experience True Parents' heart of devotion. At the observatory, we can look out at Seonin Peak and Cheonshim Lake. It is planned so that people can experience True Parents' ocean providence through the "Marina" facilities.

The Dedication Ceremony will be held with True Parents on 7.19 of the heavenly calendar in the 5th year of the Cheon Il Guk (Sept. 9, 2017 of the solar calendar).
