On the first day of the Great Works, it began with the Opening Prayer to Heavenly Parent and True Parents at 6:30 a.m. at Jeongshim Won (prayer hall) (November 3, 2017). From the first day, the Jeongshim Won was full of members that came to Hyojeong Cheonwon Chung Pyung Holy Ground from around the world.

Vice Pres. Myung-kwan Lee was the Master of Ceremony of the Opening Prayer and made a speech, saying, "This Opening Prayer, which is the beginning session of the Great Works, is more important, and we can receive the great grace, so if we pray out loud with sincere hearts and devotion, our wish will be fulfilled." He also announced that Intl. Pres. Sun Jin Moon would be delivering the address on the 1st day of Great Works, 'True Parents', Special Assembly' and 'Tasting Event to celebrate the opening of the Hyojeong Café' on the 2nd day with True Parents.

It was followed by Opening Remarks, Cheon Il Guk Anthem, Gyeong-bae (Bow), Family Pledge, Hoon Dok Reading and Benediction Prayer presented by Pres. Gi-seong Lee.

Pres. Gi-seong Lee did the Hoon Dok reading from True Parents' address at the Cheonji Sunhak Won Groundbreaking Ceremony, from the book 'Understanding True Parents' Chung Pyung Providence 2' and True Parents' address at the True Parents' 56th Holy Wedding Anniversary. He then offered the opening prayer.

"Please let us remove Satan and evil spirits' works inside our whole bodies and senses and experience the amazing works of Heavenly Parent's true love and true life during the Great Works, so that all people offering devotion and praying with tears feel the amazing power of Heavenly works and achieve True Parents' dreams.

Beloved True Parents of Heaven, Earth and Humankind, the 2017 Autumn Hyojeong Chung Pyung Special Great Works will be held for 3 days. I sincerely hope that Heavenly Parent directly officiates these events. I pray in the name of Gi-seong Lee, a blessed central family. Aju."

All participants sang the holy song, "Grace of the Holy Garden" with the guidance of Vice Pres. Myong-kwan Lee, and prayed out loud together with all members. Many participants from around the world experienced amazing grace from Heaven. We would like to introduce some of their testimonies.
