On the second day of the morning, 'Unification Sports Festival' was held. Families gathered together to attend the sports festival at the holy ground and receive the great blessing of our Heavenly Parent. It was morning, the sky was blue and the refreshing morning sun wrapped the Tree of Love plaza in warmth.

The Master of Ceremony (MC) was Ms. Hisako Tanimura from CheongShim International Youth Center's contents development team, and the two Assistant MCs (Interpreters) were Takemori Fukatsu, a lecturer from a Japanese training office, and Ryuichi Kishimoto, a supervisor from an international team. They appeared wearing interesting Minion character costumes and gave witty performances so that many people had a lot of fun.

'Unification Sports Festival' started with the greeting of opening ceremony by Pres. Gi-seong Lee and Vice Pres. Myung-kwan Lee. This event progressed with a series of competitions between 2 teams, Tongil team and Shimjeong team. All participants danced to the song Gaegujaengi (mischievous kid). The brilliant performances and enthusiastic cheering by the cheerleaders lightened up the atmosphere. We had a precious experience of becoming one in men and women of all ages, all races and all nationalities under True Parents through the Unification Sports Festival. Shimjeong team won this event.
