On the 3rd day of the Great Works, the Closing Prayer was held. President Gi-seong Lee offered the prayer to True Parents of Heaven, Earth and Heaven as follows:

"Dear Heavenly Parents, True Parents of Heaven, Earth and Humankind. Since the beginning of human history, we have seen many wise people and there have been many martyrs who risked their lives, praying out loud before the Heaven, serving and believing in the Lord. To attend True Parents on earth, the hundreds of millions of Abels chosen by Heaven left for the celestial world as a sacrifice. What is our accomplishment? You have experienced much heartbreak because we are immature and have no accomplishments. We remember what Jesus complained about in the bible, saying, "We played the pipe for you, and you did not dance; we sang a dirge, and you did not cry. Foxes have dens and birds have nests, but the Son of Man has no place to lay his head."

As we remember True Parents were searching for the place to rest, singing 'Rock of Ages' as a holy song, this time we have nothing to do but repent about ourselves. All the grounds that True Father laid down are handed down to the True Mother, and in the age of Cheon Il Guk, we have to attend True Parents of Heaven, Earth and Humankind with absolute faith, absolute love and absolute obedience. But we were oblivious of who True Parents were. We didn't know of the nobility of True Mother. Please forgive us for being unworthy sons. True Mother, only begotten daughter, who finally completed the creation through 6,000 years of long history so please let people know her authority."
