# What is Il Shim?

*"Il Shim"* is a Korean term that translates to *"One Heart"* or *"One Heart and Mind."* The program is our coming-of-age program for Unificationist 8th grade youth. Il Shim offers tools for family level inheritance of the traditions and teachings of our True Parents within the context of the parent-child relationship.

This online program is an 8-week series culminating in the Il Shim pledge and receiving of the "True Love Waits" ring.

## Purpose of Il Shim

We hope that the Il Shim program will help you in these

1. Growing your Life of Faith by supporting you in creating a unique relationship with God and discovering tools to support that relationship.
2. Deepening your Understanding of Unificationist Traditions by providing the resources for you to discover the value and significance of aspects of our faith, such as True Parents, abstinence before marriage, the marriage Blessing, and living for the sake of others.
3. Developing your Relationship with your Parents by encouraging opportunities to create healthy conversations with your parents through open communication and deepening trust.
