CARP Leader: Adelina Lazar

- Regular spiritual conditions and witnessing efforts throughout the week on the UMD campus
- **Weekly Thrive event for guests focusing on "how to create a culture of love" conveying the principle through bite-size pieces and the heart of witnessing.**
- **3 guests participated in the "2 Day UP" seminar. Quote from one of the guests:**

*At the beginning I did not understand what it said in the bible that God created us in the image and likeness. I thought it was an individual idea that I was a good person but I did not see it as an image and likeness as a man and a woman and a family. But now I understand and it makes sense because the first pure love that one receives is the family and that is God, **God is love, that love of God is found in your family...***

YCLC Leader: Jermaine Bishop, Jr.

- **First YCLC “Meet and Greet” was hosted this month**
- 2 young Christian Leaders attended in person along with Bishop Webb who was very inspired and is excited to invite other young leaders to join YCLC
- The program was designed and presented by all young Unificationists. We plan to host this event once a month along with additional inter-church service projects.
