

UPF USA: Korea, China and Putin's Nukes - Tuesday, Aug 27 from 2 to 3 PM EDT

Larry Moffitt
September 26, 2022

**A MORPHING
GEOPOLITICAL TAPESTRY**
Korean Peninsula, China, Taiwan & Putin's Nukes
Tuesday, September 27, 2 PM EDT

Mr. Doug Bandow
Senior Fellow, Cato Institute,
specialist in foreign policy and
civil liberties

Dr. Michael Jenkins
President, Universal Peace
Federation International

Mr. Larry Moffitt
Secretary-General, Universal
Peace Federation

No meaningful examination of the Korean Peninsula today can happen without also considering China and Russia. On the table with reunification of the Koreas, is China's arms buildup, Taiwan, Russia's proxy war with NATO weaponry in Ukraine, the Quad and Seoul's uneasy relations with Tokyo. Add to that, Vladimir Putin's talk of nuclear options, as though to desensitize the world to their actual use. It's an unsightly and foreboding tapestry. Join **Mr. Doug Bandow**, Senior Fellow at the Cato Institute, along with **Dr. Michael Jenkins** and **Mr. Larry Moffitt** of Universal Peace Federation in an engaging discussion of insights gained in recent trips to South Korea.

Co-Sponsored by The Washington Times Foundation & Universal Peace Federation's International Association of Parliamentarians for Peace (IAPP)
