WOMEN'S FEDERATION FOR WORLD PEACE USA

The Women's Federation for World Peace USA would like to extend our sincerest condolences to the families who have been impacted by the earthquake on February 6, 2023. It was one of the strongest earthquakes to hit the borders of Turkey and Syria in 100 years. As the death toll continues to rise we are praying for those who have lost precious loved ones or are recuperating from the devastating impacts.

We encourage all global citizens to consider ways to donate and support our fellow global citizens during this time.

You can support Turkey & Syria by donating to one of the Organizations below:
