Your WFWP PeaceBuilder membership plants seeds for a future of genuine and sustainable peace!

As our WFWP president Kaeleigh Moffitt says, *"Planting seeds in life means we are investing in a future that will take time. We may not see the flowers blossom until next year or much later in life, but we still plant them with **hope for the future**. The key is to take time in this season of our life, although we may be incredibly busy, to think about and plan for the future."*

*"We must give space in our lives to consider our own internal growth. This is the work we, especially the **women and mothers of our community**, must lead the way in. We may be planting seeds that may not blossom right away, however, they will surely fill our communities with joy soon enough."*

With your support, we can strengthen our initiatives and goals for 2023! In particular, we are focusing on:

- launching a **new online platform** to give access to educational and empowering materials
- connecting with over 200 women leaders through the **Global Women's Peace Network**

- **reaching 1 million viewers** on social media

Becoming a member today means you're supporting these and many more initiatives. Please consider planting seeds today for tomorrow!

As our WFWP founder Dr. Hak Ja Han Moon said at the beginning of 2023, *"The new year of the black rabbit has dawned, in which your most earnest wishes will become **tangible beacons of hope** and illuminate all of humankind...Like a rabbit, **be industrious and fruitful**. This is the year of an **intelligent**, well-loved animal, [and] the color black draws in all light. No one can deny **the warmth we feel** as we gradually receive more heat from the sun."*

Join WFWP as a new member today, and you will receive in the mail this beautiful magnetic lapel pin.

Renewed members will also receive a special gift!

Support women peace leaders today!

Thank you for helping us plant the seeds of raising up new **Leaders of the Heart** and creating a **Culture of Heart** for communities near and far. Your support is our light and warmth!

God Bless you,

the WFWP USA team

“Amazing vision and perspective to heal the world. For any young woman (like myself) looking to make a difference, this is an amazing group to get support, resources, and the opportunities needed. The female perspective and presence is so powerful and when we are able to bring the world together...anything is possible”
