Challenges to Widening the Human Rights Footprint in the Indo-Pacific

Webinar Tuesday, June 6, 2023 from 2 to 3 PM EDT

Tom Lantos, congressman and chair of the House Foreign Affairs Committee (and Holocaust survivor), created the Congressional Human Rights Caucus that, after his passing in 2008, became a permanent body within the U.S. Congress: the Tom Lantos Human Rights Commission.

Today, Dr. Katrina Lantos Swett serves as President of the Lantos Foundation for Human Rights and Justice, established in 2008 in honor of her father. In every part of the world, the Lantos Foundation is committed to giving voice to global citizens living under brutal regimes that ignore basic rights and use ruthless tactics to maintain their power. “The veneer of civilization is paper thin,” Congressman Lantos said. “We are its guardians and we can never rest.” Human rights

abuses abound in the Indo-Pacific -- in North Korea, China and elsewhere. The terrain also includes Russia-Ukraine, existentially if not geographically, so the landscape is wide.

Join **Dr. Katrina Lantos Swett**, President of the Lantos Foundation and Co-chair of the Committee for Human Rights in North Korea, along with former six-party talks envoy **Amb. Joseph DeTrani** and Georgetown University security studies professor **Dr. Alexandre Mansourov** in a thought-provoking discussion of human rights in the Indo-Pacific.
