**WOMEN'S FEDERATION  
FOR WORLD PEACE USA**

Dear,

**Last week over 50 people signed up for our brand new "Wholehearted" series.** We're thrilled so many are feeling just as excited about this launch as we are! Check out this promo video that gives you an idea of what this program is all about!

In case you missed it, "Wholehearted" is a 7-week course designed exclusively for WFWP USA members who are ready to embark on a journey of unveiling the essence of womanhood. Through a blend of readings, discussions and activities, we will guide you in embracing your unique strengths, navigating challenges, and forging a path towards a more profound connection with your identity as a woman. Based on the book "Mother of Peace", memoir of our founder, Dr. Hak Ja Han Moon, we

invite you to peel back your layers to embrace your authentic self and explore the depths of what it means to be a woman in her fullest form.

Here's a few things you may not know about the program:

- **You can participate from the comfort of your home!** It's a virtual course, so you don't need to travel anywhere to participate.
- **Registered participants get access to the recordings!** If you can't make every session, no problem! You can view the recordings on your own time.
- **This course is appropriate for any woman who wants to go deeper!** Even if they're not a member of WFWP yet, they can sign up as a member just to participate in this course.
- **Men are also welcome to join!** In fact, we already had 4 men register. We're offering a special track just for them!

We can't wait to embark on this journey *together!*

Sincerely,  
WFWP USA Home Office
