Dear WFWP-GWPN members, friends, and supporters,

Join WFWP-GWPN USA for our upcoming webinar on Thursday,

September 21 at 5 PM PDT / 8 PM EDT on the theme "Transforming Peacebuilding: The Impact of the Mother of Peace."

Each year on September 21, the world observes the International Day of Peace to encourage a 24-hour non-violent day of peace supported by discussions on how to move **towards a more peaceful global society. The United Nations has announced this year's theme as "Actions for Peace: Our Ambition for the #GlobalGoals" in an effort to increase** initiatives that support progress for the UN Sustainable Development Goals (SDGs) and create a more successful global culture of peace.

In commemoration of this international day, WFP USA will host a virtual webinar to honor the contributions of women in peacebuilding. Our program will feature women leaders from diverse sectors who have found value and inspiration in the application of the peace philosophy of Mother Moon, the co-founder of WFP. They will speak to how it has impacted their personal and professional lives, supported their effectiveness as peace leaders in their field, and the potential value these principles have in realizing the **"culture of peace" that sits at the heart of the UN and the SDGs.**

Click below to RSVP to the Zoom event.

Sincerely,
WFPW-GWPN USA
