This season of giving, we're reaching out with hearts full of hope and purpose. At the Women's Federation for World Peace USA, our mission is to empower women as peacebuilders and leaders in the family, ultimately transforming communities, nations, and the world. We believe in a vision where women work together to **create one global family** rooted in a culture of sustainable peace.

Today we're unveiling a campaign close to our hearts: "The Missing Piece in Peacebuilding are Women's Voices." We recognize the missing piece in peacebuilding: the powerful voices of women. Our commitment to uplifting and educating women and families is at the core of creating **a world where peace and well-being thrive**.
