Season's Greetings! We are reaching out to invite you to be a crucial part of securing WFWP's mission to **empower the next generation** of women leaders and unlock the impactful role of women in peacebuilding.

With a rich history of 30 years in international and grassroots service and education, WFWP is steadfast in expanding our influence, guided by our founder Dr. Hak Ja Han Moon's **unique Peace Philosophy**. Your generous support provides us with the necessary resources, both financial and courageous, to uplift a new generation of WFWP leaders – a vital missing piece in peacebuilding!

Let's make sure that the remarkable accomplishments of the last decades, such as the launch of the **Global Women's Peace Network** for collaborations among women leaders in various fields, and the support of **WFWP Schools of Africa** for educating school children towards happier, healthier lives, do not lose momentum. We are committed to building upon the hard-won successes of pioneer chairwomen and members, making the coming decades something we can all be proud of!

*"The world today is calling for **peace, reconciliation, compassion, love, service and sacrifice.** It is an age in which our current problems cannot be solved by the masculine logic of power...In this age we need to solve problems and straighten out the direction of history by the **feminine logic of love.**"*

[Your support](#) is the key to nurturing the next generation of women leaders who will contribute significantly to peacebuilding efforts. Thank you for considering this important cause, and together, let's make a lasting impact on the journey towards a more peaceful world.
