We have come so far in the last 30 years, and we are so grateful for supporters like you!

You have an enormous impact, bigger than any one person can have alone, when you give your gift, your time, your voice, and help WFWP USA to provide the Missing Piece in Peacebuilding, the feminine Logic of Love. **We have big plans in 2024** to develop and extend the GWPN Hubs (Global Women's Peace Network), local hubs of peacebuilding activity, drawing on the talents and energy of women of various fields of expertise, from business to the arts.

Would you like to give today for a brighter 2024? Donations today will be matched by a generous pledge up to \$10,000!

Double my gift, double
my impact!

May the new year bring more growth and more sharing, and may we raise up peace partners to work together with men and women of all backgrounds, who have a substantial vision for world peace.

Don't wait! [Give today to have your donation doubled!](#) Let's create a bright and hopeful 2024.

A Woman's Touch is the Missing Piece in Peacebuilding

It's time to be a hero to women across the nation!

Tuesday, November 28th kicks off an annual Season of Giving that is sure to be incredible.

Your generous gift helps to further our goals and initiatives in 2024 as well as develop and spread this message: that women Leading with Heart in their families, communities, and the world are the partners the world needs.

Give today to provide the missing piece in peacebuilding: uplifting education for women and families in 2024!

The Women's Federation for World Peace is a non-governmental organization in General Consultative Status with the Economic and Social Council of the United Nations and in association with UN Department of Public Information.

Give to Empower Women in 2024!
