STOPPING THE VIOLENCE THINK TANK CONFERENCE

Stopping the Violence National Best Practices Think Tank Conference

This Think Tank Conference represents the next stage of our objective of bringing together leading practitioners of violence prevention, faith leaders, mental health experts, youth advocates, law enforcement partners, and community organizations to develop an actionable blueprint for reducing violence nationwide.

Please support the Stopping the Violence Best Practices Think Tank meeting for America with your tax-deductible contribution to Universal Peace Federation (UPF). This gathering will take place October 1-3 at the IPEC Center in Las Vegas.
