Dear,

We invite you to join us this Thursday (June 6) for the fourth HPF meeting in our series: "Justice and Economic Democracy". Our presenter, Michael Greaney, is an expert in the topic of social justice. He has an extraordinary depth of knowledge in the perspective of the Catholic Church, a leading institutional proponent of social justice around the world for centuries.

This meeting follows a February HPF session led by Dr. Thomas Walsh titled "The Quest for Justice". In that meeting Dr. Walsh presented Professor John Rawls' highly influential "Theory of Justice." Dr. Walsh will be the Respondent to Michael Greaney's presentation.

The session will conclude with 30 minutes of feedback, comment and questions from meeting participants.

We hope to see YOU in our Zoom room on June 6th.

Sincerely,
James Edgerly
