## **Congratulations to Couples of the 8,000 Couples' Blessing**

Dearly Beloved Brothers and Sisters of the 2,075 and 6,000 Couples' Blessings,

First of all, I would like to sincerely congratulate you on this occasion, the thirtieth anniversary of your holy weddings.

I regret that I could not congratulate you in person but my duty has me attending our True Parents, the True Parents of Heaven, Earth and Humankind; thus, I must make do with a brief congratulatory greeting to you.

I would like to convey to you the wonderful news that our True Parents are in the best of health. They are cared for very well by our International President, Rev. Hyung Jin Moon, and his wife, and by other leaders at their side. Thanks to the season, we have many of the True Grandchildren with us! Even though the temperature in Las Vegas is 108 degrees Fahrenheit, True Father goes out to Lake Mead as soon as Hoon Dok Hwe is over, to offer his devotion to God through fishing. Even at the age of 93, he never tires as he shows us the example of devotion and gives us providential teachings.

Recently, True Parents are emphasizing Tribal Messiahship activities and preparation for having our names entered into the Holy Family Register. There are 265 days left until Foundation Day. True Parents are counting down the days one by one and living each day as though it were a thousand years.

The 8,000 couples received the mission of standing at the forefront of paying indemnity for the 6,000 years' history of God's Providence of Restoration. In America, the main people in charge of the national ministry, district ministries and each organization are 8,000 couples.

It's not just the case in America. There are many brothers and sisters of the 8,000 couples with very important missions in Korea, Japan and other nations. Moreover, the 2,075 couples of America are a faith group of the Completed Testament Age that have a similar mission to that of the Puritans. I pray that at this 30th anniversary of their Blessing, they will pledge to contribute even more to Heaven's Providence throughout the rest of their lives. I pray that they will become victors who leave a legacy of faith that they can be proud of in front of their beloved spouses and children.

I am grateful to our dear In Jin Nim for preparing this precious opportunity to congratulate the 8,000 couples' Blessing. Tomorrow morning, representatives of the 8,000 couples will give a flower bouquet to True Parents representing the entire world.

Once again, I would like to thank you and I pray that God and True Parents' blessings will be with you and your families.

Sincerely,

Chang Shik Yang
