True Father's Legacy and the Mission of Blessed Families

Today, as I have returned the conclusion of the final perfection to You, Father, I am aware that I have offered my whole life, up to this moment, to You, Father. I am spending this time now to bring my life to a conclusion, to bring it to a close with jeongseong, according to Your will.

When tribal messiahs have established names that can represent the nations I have accomplished all these tasks. I have completed everything.

Aju.

6.26 by the heavenly calendar, August 13, 2012

The legacy True Father bequeathed to all of us is in becoming
“new tribal messiahs”

True Mother's Address
on the 1st day of the 1st year of Cheon Il Guk
(February 10, 2013, Cheon Jeong Gung)

We must witness. I have been calling members from the older blessing groups who, as national messiahs, have done a good job and presented many results to return to the homeland. We need a nation in which God can reside, and citizens of that nation. Then what should be done? You must witness. **You have to complete your mission as tribal messiahs. This is what you have to do for the rest of your life.** If you fail to do this, you would be too ashamed to meet True Father in the spirit world. You must complete your mission as tribal messiahs for your own sake and also for the sake of your descendants.

VISION 2020

**Establishment of
Substantial Cheon Il Guk**

Regarding Home Church

Now this must be established on a family level. The parents must be attended to in a family and it is time for the father to teach this to his son. What purpose is at the center of the Unification Church's advancement? It is home church. (Selections of Sun Myung Moon's Speeches vol. 31 p. 295, **1970.06.07**)

Just because tribal messiahs were appointed does not mean that the home church should disappear. **Even if all five billion people of this world are restored home church will be needed.** There must be unity. The mind and body must be united and the entire world must be united. In the same way, home church should be united inside-out for the tribe. It is the same formula. Originally, **a person perfected through home church would advance to the position of tribal messiah among his relatives.** (Selections of Sun Myung Moon's Speeches vol. 210 p. 189)

True Father's guidance regarding *Tongban Gyeokpa*

- What are you we trying to do through **home church**? It is about **laying the foundation for the family**. What is **tongban gyeokpa**? It is to **make the owners of each family belong to God**. (Selections vol. 231, p. 142)
- If the home church altar is not designated, it will lose its principled meaning, and **it cannot become a conditional altar upon which spirit world can come down to the earth**. (Liberation of God's Homeland, p. 73)
- **In order to do tongban gyeokpa, we must organize everybody in the ris**, centering on the foundation of home church . (Selections vol. 233, p. 111)
