Re. : Instructions Concerning the Celebration of Major Events by the 2014 Calendar

May the blessings and love of the Heavenly Parent and True Parents be with all regions and mission nations.

On 10.4 by the Heavenly Calendar (November 6, 2013), True Mother presented a rule that all mission nations are instructed to follow concerning the dates major events of our church are to be celebrated.

According to this rule, all providential events are to be recognized by the same Gregorian calendar month number and date within the heavenly calendar. However, to prevent confusion, practical milestones will continue to be celebrated by the Gregorian calendar.

Details concerning the dates of major events in the 2014 calendar are given below. Please refer to these instructions and ensure that no confusion arises from them.

1. Events to be Celebrated by the Heavenly Calendar

1) The Eight Holy Days

- The two great holy days that were celebrated by the Gregorian calendar (True Heavenly Parent Day [formerly True God's Day] and Foundation Day for the Unified Nation of Heaven and Earth) and the remaining six great holy days that were celebrated by the lunar calendar, are to be celebrated on those same dates within the heavenly calendar.

2) Major events (Day of Victory of Love, Coronation Ceremony for the Kingship of God, Anniversary of the Founding of HSAUWC, Entrance into Cheon Jeong Gung and Coronation of the King and Queen of Peace) are to be celebrated by the heavenly calendar on the same dates previously used on the Gregorian calendar.

2. Events to be Celebrated by the Gregorian Calendar

1) Blessing Anniversaries

- They are to be commemorated on their original dates in the Gregorian calendar

Previously, the 6,000-couple Blessing Anniversary was celebrated on Aug 28, the calculated lunar date based on the actual date of October 14. From now on, all blessing anniversaries are to be commemorated on their original dates, which will be October 14 for the 6,000 couple-Blessing, to preserve their providential significance.

2) Important Outside Events

- Practical milestones such as the anniversary of the founding of *Segye Ilbo* and other organizations, which are officially recognized in society, are to be celebrated by the Gregorian calendar because of the possible confusion that may arise if done otherwise.

- The Settlement of Eight Stages (Paljeongshik) will be an exception since its falls on August 31 on the Gregorian calendar. Heavenly Calendar months do not have thirty-one days. Hence, this event will be celebrated by the Gregorian calendar.

Attached is a file of the dates of major events that have been re-organized based on True Mother's instructions.
