Re. : Announcement on the Second Round of Recruitment for Second Class of Cadets by UP Academy (Change in recruitment dates)

May the blessings and love of the Heavenly Parent and True Parents be with all regions and mission nations.

True Parents specially established the Universal Peace Academy to educate Cheon Il Guk leaders. The members of the first class are in the midst of their training. In order to continue to raise future leaders that are global-minded and equipped with a strong spirit and truth, we are now conducting a second round of recruitment for the second class of cadets.

“What is a noble family? You have entered the realm of the imperial family, but are you preparing for the future generations? Did you, as pastors and heads of church enterprises, make the necessary preparations to continue the family line? If you do not make those preparations, the lineage of your prestigious families will end at the first-generation. Do you want that to happen? You must ensure that the family line is carried on in your families and that they become loyal noble families. That is why I have established UP Academy to help you. I have prepared a better environment for you in all details, but how are you preparing for it?”
