CPFWP USA for CPFWP- USA

As inheritors of a five-thousand-year cultural legacy, the Chinese People’s Federation for World Peace is dedicated to reviving the traditional values of virtue, harmony, and especially the **filial heart**—a core value in Chinese culture and the foundation of family and society. In a world increasingly marked by division and moral decline, our mission is to uplift humanity through the timeless wisdom of our ancestors, fostering reverence for Heaven, respect for Earth, and love for one another. We invite you to support the upcoming **CPFWP World Assembly at UN and Chinatown in New York**, a global platform to promote these values and bridge East and West for lasting peace. Your generous contribution will help bring this vision to life.
