

Help Wanted: Young Unificationist Lawyers - Meet European Legal Department

Matthew Huish

June 30, 2018

This is a request in identifying young Unificationist lawyers to attend inaugural meeting of new European Legal Department July 27-29 in London. Join Us.

We need younger members aged roughly between 25 and 40 who are qualified lawyers (or very close to qualification) and whom we could invite and who could help in this important area of our activities long into the future.

An inaugural meeting of the new department will be held in Chislehurst, Southeast London from the evening of July 27th until Sunday afternoon of July 29th. We already have a capable group of appropriate leaders, as well as a number of members who are experienced and qualified lawyers, that are committed to participate. But we need younger members.

We will shortly be inaugurating the New European Legal Affairs Department. It will play a very important role in guiding the affairs of our movement in years to come and helping to ensure both that we carry on our activities in a way that is consistent with the law of the land and that we take full advantage of all the opportunities and benefits that the law provides for our movement's expansion and development.
