

## Family Celebration Workshop, Blessing and Divine Principle Education

Lancaster Gate, London, United Kingdom, July 21, 2018

The Association of British Clergy in the UK held our first Family Celebration Workshop on Saturday the 21st July. Pastor Carlo Zaccarelli presented two Divine Principle Lectures, and afterwards five Pastors were blessed, and there was a very uplifting spirit of renewal and rededication to God. I am so grateful to all the wonderful brothers and sisters who contributed their prayers and efforts to make the event possible.

There was great music and singing from Pastor Collins, Rev Hanna, Joanna Hartl, Barbara Zaccarelli and Queen Esther. Pastor Carlo Zaccarelli gave 2 spirit filled talks and Dr Hanna and Mrs Kyunga Hanna officiated the Blessing beautifully, assisted by Joyce Suda, Naomi Gyoten and Anne Kobayashi, who also provided the great refreshments. By June Darby.
