Save the date!

Despite the cold weather, we are excited to promote a young adult's summer retreat on the Isle of Wight!

The retreat will be from the 6th September – 9th September 2019 for ages 18+.

We have exclusive use of Totland Bay youth hostel, right next to picturesque beaches and the Tennyson downs.

The schedule will be fairly relaxed and free with short morning talks from a range of speakers followed by afternoon and evening activities, with an emphasis on spending quality time together.

There will be more details about signing up, fees and travel in the near future.

In the meantime, for any questions contact:
