On May 8 there began the first day of the “2015 Purification Azalea Festival for the Inheritance of Heavenly Fortune Chung Pyung Special Great Works.” At 7 pm that evening, President Gi-seong Lee, President of the Chung Pyung Heaven and Earth Training Center, delivered the keynote speech at the Opening Ceremony, explaining the special meaning and value of the Purification Azalea Festival.

President Lee introduced what True Parents said when they visited Chung Pyung Heaven and Earth Training Center on April 27. True Parents said: “If

you always have the mindset, “I am insufficient,” and yet do everything, then heaven will help you.”

I wish that much abundant grace will be received by all the members who are here for this “2015 Purification Azalea Festival for the Inheritance of Heavenly Fortune, Chung Pyung Special Great Works.” On April 27 we received a phone call notifying us that True Mother would visit the training center before she left for Europe. True Mother came to the training center and took many photos as she and her party walked around the holy ground. She also bestowed encouraging Words at the CheongShim Bakery.

We have constructed signs so that you can see where True Mother took her photos. I hope that you might walk up to the holy ground and take photographs at the same places that True Mother did.

True Mother explained the secret of heaven helping the members. She said, “If you have the heart that I am insufficient, and yet do everything, then heaven will help you.”

President Lee said that at the times when you face trials are the times that the Heavenly Parents are coming to you, and that it is the time when you will receive Heavenly Blessings. He also added that when you have such a heart you are able to remove fallen nature and evil spirits.

“If you have a problem then you have to sincerely call for Heavenly Parents. As you carry many problems you should be able to realize this, and pray, “Ah, this is a blessing from the Heavenly Parents, to tell me to pray sincerely in front of them.” If you do like this, the evil spirits in your body can be removed very quickly. Those who say, “Thank you very much for giving this trial to me,” will definitely receive amazing blessing and amazing works from the Heavenly Parent.”

“If you are able to have that kind of heart then all your fallen nature will disappear. All the negative feelings: hatred, jealousy, arrogance, and greed will disappear. If you have fallen nature then that is evidence of you having give-and-take action with evil spirits. You have to have a clear conscience. Then how can one have a clean conscience? When my heart and the owner of my heart, which is Heavenly Parents, have that give-and-take action. After you liberate all the evil spirits that are the cause of your fallen nature you will be able to live with joy and have an ideal original nature.

I truly wish that many great blessings and much grace will be received by all the members who have come here for this 10th Purification Azalea Festival. I hope that this Special Great Works will become the starting point of your part in the providence. Please offer your sincere prayers and devotion so that great miracles can happen here. Thank you very much.”
