## Honor Code for International Young People

### Attending the Cheongpyeong 40- and 21-day Workshop

Hello!! Many warm greetings from the Cheongpyeong staff to International young people all over the world! We are doing our best to prepare and make this upcoming summer 40-day (21-day) workshop fruitful, exciting and fun, and for this to happen we need your help.

For the success of a Cheongpyeong 40-day (21-day) workshop, the heartfelt participation of every participant is essential. **It is very important that Cheongpyeong 40-day (21-day) workshop trainees are not forced by their parents to come.** In order to make the workshop a great experience for all of the participants who will be attending, each and every trainee should act in a mature and dignified manner, and take responsibility for his/her actions.

**As a trainee, and as parents of the trainee, please read the following.**

1. Cheongpyeong is primarily a place for me (the trainee) to improve my relationship with the Heavenly Parent, and to find my true self.  
Therefore I, as a trainee, will refrain from forming any kind of intense horizontal relationship, or spending exclusive time with another trainee, either of the same or of the opposite sex, but will instead concentrate on nurturing my personal relationship with God.
2. I will try to see everybody from the viewpoint of the Heavenly Parent, even though we are different and may have a hard time understanding each other in various ways.
3. If it is necessary to go to CheongShim International Medical Center, the Youth Training Center, etc., I will leave the Training Center only after receiving permission from the Cheongpyeong staff.
4. I will always be on time and make utmost effort to fully participate in the entire schedule.
5. I will comply with the Cheongpyeong dress code (page 3).
6. I will follow and respect the Cheongpyeong staff and all the team/workshop leaders.

7. I will not eat at the holy locations (prayer hall, Tree of Blessing)
8. I will make my utmost effort to keep the Cheongpyeong grounds clean and neat.
9. I will not bring any of the prohibited items, which are listed below.
10. I will refrain from doing any of the prohibited activities, which are listed below.
11. I will not use the internet without permission from the Cheongpyeong staff.
12. I will consult immediately with the Cheongpyeong staff if any problems arise.
13. I will follow any and all other rules set forth by the staff during the workshop, since the purpose is to help me have a good experience.
14. I will maintain a clean presence around my sitting area/desk and refrain from eating in such places.

※ **It may be a good idea for you to make an internal goal and external condition of sincerity before attending the Cheongpyeong workshop.** For example, a youth may want to develop a more pleasant personality centered on the Heavenly Parent (internal goal) and do a 21-day bowing condition (external condition).

※ **For the sake of having a fruitful training, if you have any concerns you need to share with us about, please feel free to email us in advance.**  
([cpintl2013@gmail.com](mailto:cpintl2013@gmail.com))
