The commemorative Ceremony for the 4th Anniversary of the Universal Seonghwa of Sun Myung Moon, True Parents of Heaven, Earth and Humankind was held magnificently in the morning on 7.17 of the heavenly calendar in the 4th year of Cheon Il Guk (solar calendar, Aug. 19, 2016) with True Parents. Overall 20,000 people including True Family, former and present heads of state, key figures in Korea and from the other countries, blessed families in FFWPU and ambassadors for the peace gathered at Cheongshim Peace World Center.

True Mother said in the Commemorative Ceremony "Today, which is the 4th year of True Father's Universal Seonghwa, we appreciate that Heavenly Parent and True parents gave us amazing blessing,

grace and the legacy of True Love. We gather here to make a determination for passing this on to our further descendants." when giving her testimony of True Father's life she said "When I think of the True Father's life and the importance of legacy, my heart become full of reverence. True Father practiced True Love beyond the barriers of nationality, race, religion, culture and language with a constant dedication for Heavenly Parent's will. In this way, True Father made the vision of "one family under god" realistic. He raised Heavenly parent's children with love and truth over the world. True Father went through a lot of trial and hardship and became the holy flame in FFWPU with a dauntless spirit. We would like to share some of the testimonies which we received from the Training Center.
