### **Holy Ground Pilgrimage event for the Inheritance of Heavenly Fortune**

During the Great Works, the Holy Ground Pilgrimage event for the Inheritance of Heavenly Fortune was a huge success, especially since this event included the pilgrimage of the Cheon Jeong Gung Museum. Through these programs a lot of members experienced True Parents' shimjeong with their own hearts and bodies and found a special time to make a determination for a new start. We would like to share some of their testimonies from this event.
