

Chairman No Hi Pak made an inspection of the heating pump installation site at The Ocean Resort.

December 1, 2013

The chairman of the board of the Tongil Group Foundation No Hi Pak visited The Ocean Resort in the city of Yeosu for three days and two nights this past October 20-22. With main purpose of the visit the discussion of pending decisions and various minor issues at the ocean hotel, and receiving operations reports from the management on the first half of the year for the hotel, which is located in Hwayang province, Yeosu city, the chairman's visit followed a busy schedule.

One key event in the visit was, the chairman's personal inspection of the heating pump which has been recently installed. The chairman reminded everyone firmly that their work should be focused on efficiently conserving energy and saving money.
