2021 Hyojeong Cosmic Blessing Festival Officiated by the True Parents of Heaven, Earth and Humankind in Celebration of the Sixty-First Anniversary of True Parents' Holy Wedding

Dear Heavenly Parent! You have been waiting throughout the long and difficult history of the providence of restoration through indemnity until this day. The Creator wished to embrace his beloved sons and daughters in the original garden together with all things of creation.

Sadly, due to the fall of Adam and Eve, who should have become our ancestors, you, God had to go through the unspeakably difficult history of the providence of restoration through indemnity and the providence of salvation for six thousand years to establish the position of the True Parents.

You had to realize your original will without fail and to do so, you had to connect with the victorious ancestors from among humankind.

Due to Heaven's effort, from among the ignorant human race, you sent the True Parents to the Korean Peninsula. Christianity should have prepared an environment for True Parents. Yet Christians did not know Heaven's providence and made True Parents' path more difficult through their opposition and persecution.

However, because we are the True Parents and because we knew Heaven's providence and that as the True Parents we must without fail bring its fulfillment on earth, we endured immeasurable hardships and persecution for some sixty years focused only on one day. We have been racing forward for sixty years because we knew the great blessing Heaven was seeking to realize.

Thus, Cheon Il Guk was proclaimed in 2013. Through the following seven-year course, we were able to bless nations, various religious groups and a continent as we prepared the environment on earth in which we could attend Heavenly Parent.

Accordingly, in 2020, we proclaimed the firm establishment of Cheon Il Guk. Our blessed families, who know the providence, understand how long Heaven and humankind have yearned for this day.

When we look at the world's 7.8 billion people, we see it is the responsibility of the blessed families to guide them and lead them to the Blessing. This is something they must do while True Parents are still on

earth.

On this day, a day celebrating the sixty-first anniversary of True Parents' Holy Wedding, a day that also marks a new beginning, these six thousand one hundred engaged couples from around the world are being born as blessed families through True Parents' Blessing in the name of Heavenly Parent. When they fulfill their given responsibilities in front of their nations and the world....

The day when more than one-third of humankind knows Heavenly Parent and enters True Parents' embrace is the day when the kingdom of heaven on earth, the day Heaven dreamed of and all people have wished for, can come. Your children who have received the Blessing today offer their gratitude and glory to you.

2. Wonju Jeong McDevitt, chief of True Mother's Secretariat and Young-ho Yun director general of the FFWPU International Headquarters presenting gifts to True Mother

They know that when they take responsibility, Heavenly Parent's dream and the dream of humankind can be realized sooner. May they remember that when they fulfill their responsibilities in every way, they will become loyal, heroic patriots who will be remembered forever in history in the eyes of their nations and the world. Today is the day they pledge to run forward on that path; therefore, Heavenly Parent, please accept this in happiness.

Without a doubt, they will unwaveringly charge forward toward the completion of Cheon Il Guk -- one family of humankind under Heavenly Parent -- which is Heavenly Parent's dream and the desire of all people. Therefore, True Parents offer their gratitude and glory to Heaven, and believing that these couples will fulfill their responsibilities. I proclaim and bless this all in True Parents' names. Aju.
