Since Father and I have lived like a war period, I couldn't have created an environment for my children. But now I am doing the 'creation of environment' for my grandchildren. A few days ago, I announced and gave to my grandchildren and all blessed children in the world the 'Prayer of the True Parents of Heaven, Earth and Humankind.

Unificationist youth to pray the following in the morning and evening:

Heavenly Parent, I thank you and I love you. I, [one's name], will become a devoted son (daughter) who will inherit the tradition of true love established by the True Parents of Heaven, Earth and Humankind, and perfect the duty of a devoted son (or daughter), patriot, and divine son (or daughter). I report this in my name [one's name], a second generation member of a blessed family, Aju!

Children and youth who joined recently should end the prayer saying "I report this in my name [one's name], Aju!"
